**This Advent you are invited to take part in the Advent journey of Mary and Joseph as they made their way towards Bethlehem for that first Christmas.**

Our travelling crib will 'travel' between our homes, where we can create a place for them to stay on their journey.
This gives an opportunity to reflect on what Advent means and to share a few moments of peace and prayer.

**How can you get involved?**

The Travelling Crib will start its journey on the First Sunday of Advent, setting out from Church. The first household to 'host' will take the crib home for the first night or until the date that the next person on the rota has indicated. Then on that date, they take it to the next home and the new home then hosts the crib and so on.
The journey continues around homes in the parish until the Travelling Crib makes its way back to be welcomed into church on Christmas Eve.
If you host the Travelling Crib then you will need a quiet space for it and a candle. When it is brought to your home by the previous host, a short reading and prayer is shared together. The prayer sheet will be in the Crib box - feel free to use it as you wish. If the new host wants to offer light refreshments then this is encouraged too.

**What this means?**

Mary and Joseph will travel around the homes of our parish community this Advent. This is not just for homes or families with children; everyone, even if you live alone, is welcome to host or share in this celebration.
If you would like to take part, please fill in one of the dates on the sheet on the notice board at the back of church. Add your name and phone number so the previous host can contact you to arrange to bring the Travelling Crib to your home.
